

Today's Go-Go's Café is the lunch and dinner favorite you've always enjoyed, only now offering a more distinctive menu with entrees, daily specials, home made soups and signature sandwiches. You'll find our restaurant the ideal place for a one-on-one business lunch or a casual family dinner. What hasn't changed is the high quality of our meats, our lush salads and our friendly service.

For your catering needs, our many names speak to our many services. By bringing two well-known catering companies under one umbrella, Go-Go's has become a full-service caterer and one of the largest caterers on the South Shore.

Through **B&D Catering** you can entertain at special events with elegance and style, but at a cost that won't spoil your day. Our wedding packages include the dinner, cake, disc jockey entertainment, a limousine, florist and head waitperson. Photography and video packages are also available. B&D Catering has been managing grand events since the 1960s.

For those less-formal occasions, there's **Tommy's Caterers**. For more than 25 years Tommy's has been the area's number one provider of everyday catering needs. Local businesses and families have turned again and again to Tommy's for office parties, Christenings or those times when a prepared meal can help a sick friend.

So welcome to Go-Go's Café & Catering!  
Enjoy your meal as we enjoy your company.
